### ORDINANCE NO. 170

SECTION I. CONSTRUCTION PERMIT. If the work described in any building permit has not begun within 90 days from the date of issuance thereof, said permit shall expire; it shall be cancelled by the Administrative Officials; and written notice thereof shall be given to the persons affected. All work for

which a construction permit has been issued by the Administrative Official shall be substantially completed within twelve (12) months from the date the construction permit is issued. Substantial completion shall mean that all exterior work has been completed and all landscaping and yard work completed.
